Eco Suds

Environmentally Preferred Pot & Pan Soap

Use: Three-Bay Sink & Manual Dish Washing

What is Eco Suds?

A mild detergent that is easy on hands. Leaves them silky and smooth. Premium concentrate that may be used on all types of soils and surfaces. This free rinsing formula whisks away with a minimum of water spotting. The high sudsing surfactants produces long lasting, billowing suds that cut through the toughest greases.

Use Instructions:

For dishes, glasses, silverware & other eating utensils:

Use at 1/4 to 1/2 ounce per gallon of warm water. If unusually heavy soil conditions prevail, increase the amount up to one ounce per gallon.

For pots, pans and baking units: Use at 1/2 to 1 ounce per gallon of warm water. This heavy concentrate is recommended to increase the speed of cleaning.

For general surface cleaning: Use up to 1 ounce per gallon. First sponge surface then rinse with water. Do not allow surface to dry before rinsing.

Tech Specs:

Color.....Blue
Fragrance.....Apple Juice
Form.....Liquid
Phosphates.....None
Flash Point.....No Data
pH.....7-8
Specific Gravity.....1.01
Viscosity.....Moderate
Foam.....Moderate-High
Biodegradable.....100%
Shelf Life.....Apx. 1 Year

Available Packages
